

## KLCOA Sailing Lessons UPDATE - OSA BOOM Program 2011

### **ONE SPOT REMAINING!!**

In February this year, we provided information about the Ontario Sailing Association BOOM Sailing Program that the KLCOA will be hosting in July 2011. The program will run for one week, Monday to Friday - July 25-29. This is a unique opportunity for children 8-15 years old to learn to sail. The OSA provides the boats and qualified instructors. The program is fully insured. We've had a late cancellation and there is now one position open for program. We would encourage you to sign-up as soon as possible to secure the spot.

The cost per person is \$325 (\$350 for non-KLCOA Members). The program is sponsored by the KLCOA and has been set-up as a cost recovery initiative.

Please open the attached poster for more information or visit the OSA BOOM Program website <http://www.ontariosailing.ca/Programs/BOOM/index.php>

### **ADULT SAILING LESSONS!**

The OSA instructors will also offer an adult "learn to sail" evening program if we can secure 8 participants. The program runs for two hours Monday-Thursday July 25-28. The cost is \$250/person and we have 2 positions filled. If you are interested please give Rick a call before June 21. For more information contact:
