I thought a gr8 idea for "Kennisis Lake Sledgers" was to resurrect our "snowmobile club".

Kennisis is the lake between the OFSC Tall Pines Snowmobile Club and the Haliburton County Snowmobile Assoc., as well as our very own "Haliburton Forest & Wildlife Reserve"

My thought was to offer support to our local trails. Volunteers are always needed for off season brush clearing, trail improvements like grade improvements, bridge work, trail info signage and lake marking.

Also, I would like to see a more social perspective and gain strength in this manner. It will be a gr8 way to meet new neighbours, connect with friends, enjoy a BBQ or other events and offer support to our local snowmobile community.

I would like to hear people's thoughts on this idea, move forward and see Kennisis Lake sledgers make a difference in our "Riding Area".

Contact me to join the club!!
